

Turves Green Primary School

Newsletter

Friday 17th November 2017

Dear Everyone,

Our Year One children enjoyed their first outing to Forest School this week, lots of smiles and muddy wellies were had by all.

Please can I thank you all for continuing to support your children with their reading. It is so important that your child reads with you every night for up to 5 minutes and this is recorded in their journal. We ask that you take care of the books as lost books will need to be replaced. Please see your child's class teacher if you have any questions about this.

Our new library is now really starting to come together with all the fabulous new books being catalogued. Keep an eye out for our launch day.

Well done all children and staff for your contributions to Children in Need. Everyone looked super. The grand total raised at this point is £301.20.

Best wishes,
Debbie Holland

School Photographer

The school photographer will be in school on Wednesday 22nd November.

For children with siblings attending other schools, the photographer will be available to take photos from 8:15am.

For children with brothers and/or sisters in school, the photographer will take family photographs as well as individual pictures during the school day.

Holidays in Term time

Two of our families have been fined by the Local Authority this week for taking their children on holiday during term time.

No requests for leave will be granted except under exceptional circumstances. If you have any queries please come in to school and see Lyn Belcher Pastoral Manager.

Talk Topic:

This week's Talk Topic is:

If you had one wish what would it

be? Explain why you would choose this and ask other people about their wishes. Think carefully about what you would choose...you need to use it wisely. Enjoy talking.

Fluency Friday

On a Friday every child will wear a sticker with one calculation which they need to learn written on it (for example 3×5 or $6 + 4$). Throughout the day we ask that every adult they meet (including parents) asks them the answer to this calculation - and praise them when they give it. It is essential that your child is practicing and learning multiplication tables. Thanks for your support.

Mathletics November Numeracy Maths Challenge

From next week, Turves Green Primary School will participate in the November Numeracy Challenge 2017! This is a UK, Europe and Middle East maths challenge focussed on students practising their mental maths skills.

Please encourage your child to use Mathletics as much as possible. Special prizes will be awarded to students who show high levels of participation during this time! Let's do it Turves Green, we can win this!

School Calendar

22 November School photographer in from 8:15am
