

Turves Green Primary School Newsletter

Friday 24th November 2017

Dear Everyone,

Having been at Turves Green for the past two weeks I can honestly say what a great school! Having been Head of several schools in challenging circumstances over the past 15 years I can fully appreciate how good this school is.

We have a committed and talented staff; a Head of School and senior leaders who are determined to provide the very best education for your children and most and best of all 390 young people who are an absolute joy to be with and who have made me feel most welcome over the past few days.

I will be with you for the whole of this academic year supporting the school on its journey to become a centre of excellence in which all children achieve their very best both academically and socially. I look forward to talking to you all over the next few months.

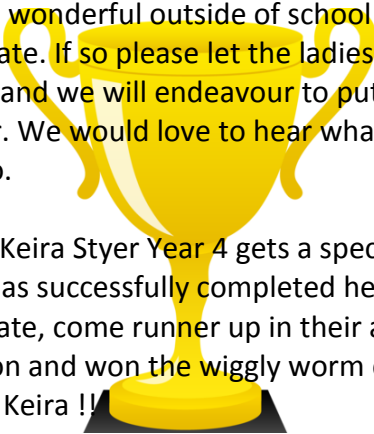

Best regards

Andrew Moore-Stow
Executive Head

Outside of School Achievements

Has your child been involved in, or achieved something wonderful outside of school that we can celebrate. If so please let the ladies in Reception know and we will endeavour to put it on our newsletter. We would love to hear what they've been up to.

This week Keira Styer Year 4 gets a special mention. She has successfully completed her orange belt in Karate, come runner up in their annual competition and won the wiggly worm contest. Well done Keira !!

Talk Topic:

This week's Talk Topic is:

the pet you would most like to have.

It could be a real animal, an imaginary one or a wild animal!

Explain why you would like to have this pet, where you would keep it and how you would look after it.

No outsiders—everyone is welcome in our school

At Turves Green Primary School we respect each other's race, religion, gender identity, age, disability, sexual orientation and gender. We have now launched our No Outsiders curriculum to teach the Equality Act in school.

A list of the books each year group will be using to help them explore this important area of learning is now available in the school office.

Mathletics

DID YOU KNOW?

You can now register for updates on your child's Mathletics progress.

Simply visit: www.mathletics.com/parent

Complete the form and you will receive weekly progress updates!

Encourage them to achieve a weekly target of 1000 points!
If you have any queries, please see Mr. Minto

22 December Christmas parties in classes

(See Christmas Activities letter for more details about these events)

Rights Respecting School Award

We are thrilled to be working towards the UNICEF Rights Respecting School Award. UNICEF is a charity working to improve the wellbeing for children around the world and its work is set out in a Convention of Children's Rights. We will be teaching the children about their rights through assemblies and lessons in class. More information is available from Heather Rowlands and there are leaflets available in the school office.
